Position: Lecturer | Department of Psychology

Appointment as a faculty lecturer in the psychology undergraduate program, teaching Introduction to Clinical Psychology.

Well Path
Monterey, CA

August 2018 – July 2019
Supervisor: Christina Nevarez, RN

Position: Licensed Clinical Psychologist

Assigned to the El Dorado County Jail as a contractor staff psychologist. Responsibilities include the diagnosis and treatment of inmate-patients who have been referred for follow-up at intake. Perform suicide risk assessment and self-harm evaluations of inmate-patients who are presenting as a danger to self, others, or are gravely disabled. Provide brief psychotherapy interventions using CBT/DBT and psychoeducation, primarily targeting, anxiety, PTSD, depression, insomnia and co-morbid substance use disorders. Collaborate with an interdisciplinary treatment team of nursing, psychiatry and custody staff in the overall treatment of inmate-patients who are suffering from mental illness and co-morbid conditions.

**California Department of Corrections
and Rehabilitation**
Represa, CA

November 2015 – July 2018
Supervisor: Ajani Jackson, MD

Position: Senior Psychologist | Supervisor

Responsibilities: Clinical Director for the licensed inpatient Mental Health Crisis Bed (MHCB) unit. Duties included the supervision of clinical psychologists and social workers who were assigned to an acute care inpatient crisis bed unit. Coordinate and facilitate weekly interdisciplinary treatment team meetings with psychiatry, nursing, custody, and clinical staff. Reviewed and audited clinical documentation and provided feedback and training to staff as needed. Prepared weekly and monthly reports as required by institution program guidelines. Previously assigned to the Crisis Triage Unit with duties that included the evaluation of inmate-patients in acute crisis and making determinations as to the appropriate level of care placement. Completed suicide risk and self-harm evaluations, collaborated with interdisciplinary treatment teams in the institutions

Correctional Treatment Centers, coordinated inmate- patient returns from the Department of State Hospitals, and evaluated incoming inmate-patients to the institution from other prisons in the CDCR system.

Sacramento Police Department

Field Services Division

Sacramento, CA

April 1995 – November 2015

Supervisor: Sergeant Darrald Bryan

Position: Police Officer | Mobile Crisis Response Team (Mental Health Team)

Responsibilities: Assigned to the Field Services Division (Mental Health Team). Primary responsibilities include responding to dynamic psychiatric emergency related calls involving individuals who are experiencing an acute mental health emergency. Perform field assessments and conduct follow-up and case management on chronic mental health related cases in the community. Collaborate with allied mental health professionals in long term problem solving. Collateral assignment to the academy as an instructor in the law of search and seizure. Previous assignments have included work as an acting sergeant supervising a field patrol team, Field Training Officer (FTO) and as a neighborhood police officer assigned to a large community-based hospital campus providing general law enforcement investigative services within the hospital clinics and emergency department.

Lodi Police Department

Lodi, CA

March 1988 – February 1995

Supervisor: Sgt. Hunziker

Position: Police Officer | Patrol Division

Responsibilities: Assigned to the patrol division as a field patrol officer. Primary duties included responding to calls for service, investigation of criminal activity, and taking enforcement action when indicated. Prepared written reports, testified in court when required. Collaterally assigned (1992-1995) to the major accident investigation team, a specialized group of officers who had advanced training in vehicle collision investigations.

Arden Psychological Services

Police & Forensic Clinical Services

2015 Sacramento, CA

March 2015 – September

Supervisor: John A. Foster, Ph.D.

Position: Pre-Doctoral Intern / Registered Psychological Assistant – PSB 37500

Responsibilities: Underwent comprehensive training in a variety of forensic evaluations, including court ordered mental competency, fitness for duty, workers compensation, child custody, and disability evaluations. Psychotherapy interventions include working with police & public safety clients through various law enforcement and other public entity EAP contracts. Perform private psychological evaluations and psychotherapy interventions. Developed expertise in trauma informed psychotherapy utilizing Cognitive Processing (CPT) modalities across a diverse population, including first responders and individuals impacted by serious traumatic events.

**Psychwest Clinical & Forensic Psychology
Clinical & Forensic Psychological Services**
Yuba City, CA

August 2014 – January 2015
Supervisor: Craig West, Psy.D.

Position: Pre-Doctoral Intern – CAPIC Internship Placement

Responsibilities: Underwent comprehensive training in a broad array of forensic evaluations, including court ordered mental competency, mentally disordered offender (MDO), fitness for duty, workers compensation, child custody, and disability evaluations. Received training in psychotherapeutic interventions with a primary focus that utilized CBT approaches with a diverse outpatient client population.

LEADERSHIP/ COMMUNITY SERVICE

National Alliance for the Mentally Ill (NAMI)
Sacramento Chapter

July 2021 – May 2022

Role: Board of Directors

Volunteer role on the Board of Directors for the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. Responsibilities include monthly board meeting attendance, policy review, budgeting, community outreach, providing consultation to leadership on clinical issues related to the assessment, diagnosis and treatment of mental illness.

Volunteer Center of Sacramento
Sacramento, CA

June 2012 – May 2013

Role: Director / Board of Directors

Volunteer position in a non-profit organization that facilitated the placement of community service volunteers through the alternative sentencing program in Sacramento County. Provided legal guidance and advice on a number of regulatory and contractual issues affecting the organization. Assisted in the corporate dissolution process following the closing of this non-profit organization.

Mental Health Association of Sacramento
Affiliate of the National Mental Health Association
Sacramento, CA

May 2001 – Sept. 2004

Role: Director / Board of Directors

Volunteer position with responsibilities that included monthly board meeting attendance, policy review, budgeting and attending community fundraising events and training. Acted as liaison and consultant on mental health issues that affected the role of law enforcement professionals in working with consumers of mental health services in Sacramento County.
