Inviting ALL Forensic Mental Health Clinicians!

YOUR PARTICIPATION CAN MAKE A DIFFERENCE!

We are seeking participants for an online study focused on validating a *new* **suicide risk assessment**!

ELIGIBILITY CRITERIA FOR PARTICIPATION

- Must have current or previous experience practicing in forensic/correctional settings
- Hold either a master's or doctoral degree
- Have an active and current professional license (Psy.D., Ph.D., M.D., Ed.D., LCSW, LPC, LMFT, LMHC, etc.)
- Fluent in English
- Conduct suicide risk assessments as part of your professional responsibilities

PLEASE SCAN THE QR CODE OR CLICK ON THE LINK TO ACCESS THE STUDY:

https://unr.az1.qualtrics.com/jfe/form/SV_aXEhtizbdhu1e3l

If you have any questions about the study, you may contact:
- Renya Bazikian at renya.bazikian8943@cnsu.edu
- Craig Wetterer, Ph.D., at craig.wetterer@cnsu.edu

Questions or concerns about institutional approval of this study should be directed to the Chair of the CNU IRB, Dr. Katherine Whitcome, at katherine.whitcome@cnsu.edu or (916) 686-8533.
